DOL ASST. SECRETARY TO THE GOVT.
4-AUG 1954
PUBLIC WORKS DEPARTMENT

My dear Sri. Setty,

You know that the entire trade from Bombay to Shimoga is done through Gangolli port and Hulikal Ghat. Thanks to your efforts the Hassan-Mangalore line is now within the range of possibility. Higher up the Agumbe Ghat is very steep and is not fit for heavy trffic. The only other line is the Hulikal Ghat. But there is the Haladi river which the renders the Ghat useless for traffic during the rainy season. If a bridge could be put across this river the road becomes fit for all weather traffic. Friends here tell me it will open up vast possibilities of development between the Mangalore District and Mysore if this bridge could be completed at least in the next five year plan.

MINISTER FOR PUBLIC W...
4 AUG
GOVT. OF MADRAS

It is within the Madras area. Hence I am writing this letter to request you to use your influence to get the Haladi bridge included by the Madras Government in the second five year Plan or any other item of work. Please reply to me Delhi about the possibilities and oblige. With kind regards,

yours sincerely,

S.V. Krishnamoorthy Rao

Sri. A.B. Setty,
Minister for Health,
Madras.

Letter N. 86195-B/54-1 D/ 30.11.54.

To

Sri S.V. Krishnamoorthi Rao, Rajya Sabha
Deputy Chairman, Council of States
Parliament House, NEW DELHI.

Sir,

Sub: Communications - Bridges - South Kanara Dist. - Bridge over Haladi river.

Ref: Your letter dated 2-8-54 to M(H), Madras.

I am directed to state that the work of constructing a bridge over the Haladi river in South Kanara District has been included in the scheme for the construction and development of the West Coast Road in this State. The detailed estimate for the work is under scrutiny by the C.E.(H) of this State. ~~and that~~ The work will be taken up for execution after the Govt. of India accord their technical approval and financial sanction to the estimate.

P. W. D. (A.2).

Sub: Communications - Bridges - South Kanara District Bridge over Haladi river & Inclusion of work in t Second Five Year Plan.

From Sri S.V. Krishnamurthy Rao, Deputy Chairman, Council of States, D.O. dated 2-8-54 to M (H).

In his letter at p.1 c.f. Sri S.V. Krishnamurth Rao, Deputy Chairman, Rajya Sabha, has stated that the trade between Bombay and Shimoga in Mysore State passes through Coondapur Port in South Kanara District and that the absence of a bridge across Halady River on the road from Coondapur to Hulikal ~~bridge~~ renders it difficult for transporting the goods along the road. He has therefore, requested that a bridge may be constructed over the river so as to make the road fit for all weather traffic and that this work may be included in the 2nd Five Year plan.

2. It is submitted ~~here~~ that it is proposed to improve the West Coast Road as an all weather road and when this is done it will be possible to divert the trade along this road from Bombay to Shimoga. The bridge asked for by Sri S.V. Krishnamurthi Rao cannot, therefore, be deemed urgent. However a copy of his letter may be forwarded to the C.E.(H) for necessary action. Attention in this connection is also invited to the minutes of M (H) at p.1 c.f. Subject to orders the draft memo. to the C.E.(H) submitted below is for approval.

P. W. D. (A).

Sub: Communications - Bridges - South Kanara District Bridge over Haladi river.

Ref: From the C.E.(H), Mg1.No.39221 C4/54-8, dated 4-11-54.

In his letter dated 2-8-54 to M (H) Sri S.V. Krishnamurthi Rao, Deputy Chairman, Rajya Sabha, state that the trade between Bombay and Shimoga in Mysore State passed through Coondapur Port in South Kanara District and that the absence of a bridge across Haladi river on the road from Coondapur to Hulikal rendered it difficult for transporting the goods along the road. He therefore requested that a bridge might be constructed over the river so as to make the road fit for all weather traffic and that this work might be included in the Second Five Year Plan.

2. A copy of Sri Rao's letter was forwarded to the C.E.(H) for necessary action. The C.E.(H) has now reported that the work of constructing a bridge over Haladi river has been included under the scheme for the construction and development of West Coast Road and that the detailed estimate for the work is under scrutiny. The work will therefore be taken up after the Govt. of India accord their technical approval and financial sanction to the estimates.

3. With reference to 'A' on p.2 c.f. (B), Sri Rao may be informed of the position. A draft letter is submitted below.

The file may be circulated to M (W) and M (H) for approval of the draft.
